

Towards Justice
By Eliana Light ft. Chana Rothman and Isaac Zones
3 Songs for Justice

“I do not pretend to understand the moral universe; the arc is a long one, my eye reaches but little ways; I cannot calculate the curve and complete the figure by the experience of sight; I can divine it by conscience. And from what I see I am sure it bends towards justice.”- Theodore Parker

“But let justice well up as waters, and righteousness as a mighty stream.” -Amos 5:24

This song calls upon both the American and Jewish prophetic tradition to remind us that a better world is possible.

How will you bend the arc of the universe a little more towards Justice today?

Lord, give me the strength to bend
The arc of the universe
Towards justice, towards justice
Lord, give me the strength to bend
The arc of the universe
Towards justice, with love, Amen.
