Bm A G F#

Well there's a long list of things gone wrong

Bm A G F#

Too many to fit in one song

Bm A G F# Bm A G F#

The list goes on and on and on and on...

Bm A G F#

It's enough to make you constantly stressed

Bm A G F#

Can't see a way out of this mess

Bm A G F#

Enough to make you walk away

Bm A G F#

But something inside's just got to say

D A G A
We don't have to beg or plead or even wring our hands

D A G A
We can organize, mobilize, make demands

D A G A
The world we want is ours to create

D A G F#
So let's do it now, no time to waste!

You see we don't have to finish it all

Bm A G F#
Every little bit matters, no matter how small
Bm A G F#

We don't need to run away or build a wall
B A G F#
When we rise up together, we all stand tall
